

The Future of Pathology in Personalized Medicine: A Stakeholder Summit

Monday May 23, 2011

8:00 AM to 8:30 AM	Registration/Breakfast Lahey Room	
8:30 AM to 11:30 AM	Opening Session (Joint) Minot Room	
8:30 – 8:35	Opening Remarks	Jeffrey Saffitz Department of Pathology Beth Israel Deaconess Med Center
8:35 – 9:00	Laying the Foundation	Mark Boguski
9:00 – 10:30	“The role that pathology will play in the disruption of the health care industry”	Clayton Christensen Harvard Business School
10:30 – 10:45	<i>Break</i>	
10:45 AM to 11:30	“Bringing Health Information to Life”	David Blumenthal
11:30 AM to 12:00 PM	Completing the Framework	Moderator: James Crawford
12:00 AM to 1:00	Lunch Lahey Room	
1:00 PM to 2:45 PM	Pathology and Personalized Medicine (Joint) Minot Room	
1:00 – 1:45	“The Future is Bright: Charting a Course for Genomic Medicine”	Eric Green, MD, PhD Director, NHGRI
1:45 – 2:45	Panel: The “Blue Dots”, progress and updates <i>Moderator: Galli</i> (1) <u>Education</u> : Scott Boyd and Richard Haspell (10 mins) (2) <u>Clinically Actionable Variation</u> : D. Wall (10 mins) (3) <u>Whole Genome Analysis Pipeline</u> : P. Tonellato (10 mins) (4) <u>Whole Genome Analysis Validation</u> : M. Boguski (10 mins) Discussion (20 mins)	
2:45-3:00	Break	
3:00 PM to 4:00 PM	Blue Dot Program I (Breakout)	

Minot Room

Ballard Room

Interventional Pathology
Steve Galli, David Louis
John Pfeifer, Deborah Leonard
Jim Crawford*

NGS, WGA Diagnostics
Eric Green, Jennifer Carter
Elaine Mardis, Richard Resnik
Dennis Wall*

4: 00 PM to 5:00 PM

Blue Dot Program II (Breakout)

Minot Room

Ballard Room

Regulatory and CLIA
Dan Vorhaus, Sheila Walcoff,
Charles Roussel, Jim
Crawford*

Business Models/Reimbursement
Paul Billings, Adam Berger, Harry
Glorikian, Karen Kaul, Jeffrey
Roche, Steve Galli*

5:00 PM to 5:30 PM

*Report-Back from Breakout Sessions
Steve Galli, Jim Crawford, Dennis Wall
Minot Room

6:00 PM – 9:00 PM

Reception
New Research Building
77 Avenue Louis Pasteur
Ground Floor Lobby

Tuesday, May 24, 2011

7:30 AM to 8:00 AM

Breakfast
Ware Room

8:00 AM to 9:00 AM

Session (Joint)
Minot Room

8:00 – 8:30

Pathology in the Genome Age

David Korn, MD
Vice Provost for Research
Harvard University

8:30 – 9:00

Preventing the Incidentalome

Isaac S. Kohane

9:00 AM to 10:30 AM

Panel: Planning Future Steps for Genomic Pathology
(Moving ahead with Blue Dots, Challenges/Opportunities)
Moderator: Mark Boguski
(1) Education: Karen Kaul
(2) Interventional Pathology: Karen Mann
(3) NGS, WGA Diagnostics: Iris Schrijver
(4) Regulation and CLIA certification: Sheila Walcoff
(5) Business Model and Reimbursement: Mara Aspinall

10:30 AM to 10:45 AM	<i>Break</i>
10:45 AM to 12:30 PM	Closing Session (Joint) Summary, Next Steps, Special Journal Issue, Funding Peter J. Tonellato Minot Room
12:30 PM	Lunch Lahey Room
